***

O R D E R:

1. Through the reference cited above, Government have issued guidelines for selecting the SUO MOTO products and implementing them. The Evaluation Committee constituted for this purpose has selected the product/solution "Integrated Water Management System" proposed by M/S Vassar Labs IT Solutions Pvt. Ltd. The solution is on an Integrated Management of Water with the use of Internet of Things and portal. The Company has initially proposed the project outlay at Rs.6.69 Crores to monitor ayacut area of 7.16 lakh acres. Subsequently they have resubmitted the proposal with a total outlay of Rs.4.98 Cores.

2. On careful examination and consideration of recommendations of Evaluation Committee, Government hereby approves the proposal of M/s Vassar Labs IT Solutions (P) Ltd under the category of SUO MOTO proposals, for an amount of Rs. 4.98 Cores for monitoring an ayacut area of 7.16 lakh acres on pilot basis.

Following terms and conditions and procedures shall apply:

1. Water Resources Department will own, monitor, adopt and implement the product. It will be on a pilot basis. Releases are to be done to company by Department in phases in due consultation with implementing agency. Further extension, replication or rollout in full scale, if any, of the product will be undertaken by Water Resources Department following the normal procurement process.
2. The funds shall be released by the ITE & C Department to the Water Resources Department in phases. Subsequent to first release the further funds shall be released to the Water Resources Department on receipt of utilization certificate.
3. The Water Resources Department shall release funds to M/S Vassar labs Pvt. Ltd as per agreed milestones after satisfying themselves of the quantity & quality of work fully as per specifications agreed upon by the Water Resources Department. ITE & C Department will ensure that the funds are released to Water Resources Department in accordance with the agreed milestones.
4. If the project involves subsequent financial support in later stages or years, the Water Resources Department has to take it up further as per their satisfaction. The project support from ITE & C Department will be for adopting/implementing the project initially on pilot basis and not on perpetual basis. It will also not include operations and maintenance expenditure required for the subsequent years
5. The solution shall be in consonance with AP State Enterprise Architecture. This will be ensured by ITE & C Department.
6. Solution shall be built on open standards.

(P.T.O)

7. Replication of the solution to the additional coverage area will follow standard procurement process and the company shall not have any claim to continue or exclusive claim over further extension.
8. Water Resources Department will take up civil works at their own cost as mentioned in the proposal of M/S Vassar Labs.
9. M/S Vassar Labs will take sufficient precautions and ensure that the devices are properly maintained in the field and are not misused or stolen
10. Regular reports will be submitted to the ITE & C Department on progress of the project.
11. Periodic field inspection will be taken up by Water Resources Department & other concerned Departments.

3. The funds shall be released to Water Resources Department by ITE & C Department. Water Resources Department should also coordinate to integrate the implementation of the product with Ground Water and other relevant Departments to ensure that best results are achieved. The amount will be released through Managing Director, A.P Technology Services Ltd to Water resources department from out of 280-284 professional charges, e-Gov funds deposited with APTS from time to time.

4. The other terms and conditions of G.Os at reference 2nd read above shall be applicable. In addition, other regulations and instructions as stipulated by Government from time to time for successful implementation of the project shall apply and be binding on M/S Vassar Labs IT Solutions (P) Ltd and other concerned Departments.

5. Separate orders will be issued for release of funds in phases based on the Utilisation certificates received from Water Resources Department.

(BY ORDER AND IN THE NAME OF THE GOVERNER OF ANDHRA PRADESH)
